

# Around the World

For this activity you may need an image of a world map, I have provided one below but if you have one at home or in a notebook feel free to use that. 😊 To challenge yourself try not to refer to the map for some answers.

You are to fill in the blank to complete the words. Each word has a hint to help you

The largest body of water in the world is the \_ a c \_ \_ \_ \_ c O \_ \_ \_ \_ n.

C \_ \_ \_ n \_ \_ is right below R \_ \_ \_ s \_ \_ a and above \_ \_ n d \_ \_ \_ .

Brazil is in S \_ \_ \_ t \_ \_ A \_ \_ \_ \_ \_ \_ c \_ \_ .

It is very cold in A \_ \_ \_ \_ r \_ \_ \_ l \_ \_ a.

C \_ \_ \_ a \_ \_ \_ is our neighbor, sitting right above the US.

Using a c \_ \_ \_ p \_ \_ s \_ \_ is a way to find your direction.

## Activity #2

List all the states that begin with the letter M

M \_\_\_\_\_

Answer Key: ~~Maryland, Montana, Michigan, Maine, Missouri, Minnesota, Massachusetts, Mississippi~~

Read these states aloud and determine how many syllables in each word, I did the first three for you as an example

What is a syllable? organization for a sequence of speech sounds. An easy way to determine how many syllables is to clap or stomp while saying the words.

1. Arizona = 4 syllables ( Ar - I - Zo - na )
2. Ohio = 3 syllables ( O - hi - O )
3. Tennessee = 3 syllables
4. California
5. Texas
6. Kentucky
7. Nevada
8. Wyoming
9. Utah
10. Vermont
11. Florida
12. New Jersey
13. Kansas
