

Boys & Girls Clubs of Boston's Friends Council presents

A Trivia Night With Friends

For the past 11 years, Boys & Girls Clubs of Boston's (BGCB) Friends Council has been raising critical funds to support the youth and families who rely on BGCB, and 2021 is no different. This spring, Friends Council is reinventing its signature benefit party to virtually host ***A Trivia Night With Friends***. Event proceeds will help fund enhanced educational support at the Clubs' remote learning centers, life-enriching programs both in person and online, nutritious meals, and direct aid for families.

Please support Boston and Chelsea youth and families by sponsoring *A Trivia Night with Friends*.

During an unprecedented time in the organization's nearly 130-year history, BGCB continues to adapt with innovation and heart to address our community's most critical needs. Dedicated staff have found creative ways to distribute vital resources, launch virtual programs, and provide safe spaces for youth to attend school from our Clubs and connect with trusted mentors and peers. Our Clubs offer so much more than just a physical space with unique programs and opportunities, and the challenges of the past year have proven that. What makes BGCB a pillar of our communities is the impactful, consistent relationships that staff maintain and nurture every day – in addition to swim lessons and music class. **Your generous commitment to BGCB's mission is an investment in our city's greatest resource: its youth.**

Since its founding, Friends Council has built a vast network of tomorrow's leaders and raised more than \$1 million for BGCB. Nearly 200 active members make philanthropic gifts to support BGCB's mission and participate in regular volunteer opportunities. Over the past year, members rose to the occasion by organizing virtual fundraising events and engaging their networks to support local youth and broader Boston community.

A Trivia Night With Friends promises to be a memorable evening with virtual entertainment, friendly competition, and impactful fun. Attendees will hear firsthand from Club members and staff about the important role BGCB plays in sustaining our community. Please review the enclosed sponsor information and return your form as soon as possible so we know to count on your support!

Thank you for your consideration. Your generosity is essential to our success in keeping youth learning, active, engaged, safe, and having fun.
